Your Honor:

I am writing you in reference to Mr. James Wildman. I have known Jim for over eight years. I have worked with him as a maintenance man where we worked together off and on over the years as I am a outside contractor.

I found Jim to be conscientious, honest and always ready to lend a hand. Jim was given the opportunity to make additional income by selling pharmaceutical. He was a pawn being used by others. This is because he was a public employee.

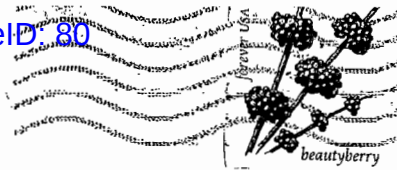

I know this is a horrible situation, but, I do not believe it was Jim's intent to deceive anyone. Thank you for your time and consideration.

Sincerely,
Thomas J. Schiraldi
